## TECH SHOW DINNER.

### One-Night Stand at Tech Union.

Posters announcing that "The Chemical Maid" was to be "On Boylston Street," or in the immediate vicinity, on Saturday evening, drew a large and enthusiastic audience to Tech Union. The curtain was rung up at seven o'clock and disclosed nearly one hundred men who went at the opening chorus with a vim and dash. Besides the participants in this year's Show, a number of the former managers of the Show were present.

P. E. Hinkley, general manager, acted as toastmaster. He first called on Davis, who told of his interest in the past Shows. M. L. Emerson, '07, drew attention to the fact that the management is the most important factor in putting on the Show and making it a success.

Mr. James Francis, who has coached during the past few weeks, congratulated the men on their earnestness and perseverance and expressed his opinion that Technology can do anything in the theatrical line as long as this interest is maintained.

Prof. Clifford, speaking for the Faculty, said that Tech Show, with the good fellowship it creates, was a desirable part of the education which men get at Tech. He told of the growth of many of the social features since his undergraduate days. Dean Burton spoke to the men of the danger of allowing themselves to be carried away by the Show and thus lose sight of their other work.

Kann, stage manager, drew attention to the work of Bryant, '07, who wrote this year's show. Bryant has been the first man to do a *thorough* Tech Show. Besides writing the libretto, he wrote every lyric except one, and suggested the lines of musical work. In every way he has earned considerable glory for his meritorious work, and the long M. I. T. yell he received expressed the feeling of the fellows toward him. Parlin, business manager, made a preliminary report of the finances which show a profit of at least fifteen hundred dollars.

A letter was read from Mrs. J. E. Walker, in which she wished success to the Show. A frame containing photographs of "Applied Mechanics" the 1902 Show, was presented to the Union by Mrs. Walker. Letters of regret were read from Dr. Pritchett and Prof. Wendell.

Hinkley announced that the orchestration of "Simon Pure Brass" had been sent to the University of California, where it will be used in the extravaganza to be given there.

## AMHERST TRACK TEAM.

### Men Show up Well in the Spring Meet Held on May 3.

Amherst held its spring games at Pratt Field, last Thursday afternoon, and many encouraging results were attained. The record in the broad jump was broken, W. P. Hubbard doing 23 ft. 6 in.

As a rule Amherst has many star men for first places, but seems weak in men for the other places. As in last year's meet, Tech does not hope

R. E. ROLLINS, Captain.

W. P. HUBBARD.

to get the majority of the first places, but it is expected that most of the second and third places will go to us.

Read, who runs the 100-yds. dash, made the fast time of 9 4-5 sec., and Stearns ran the quarter mile in 50 1-5 sec. In the other running events no remarkable times were made. In the weight events Amherst depends to a great extent on Rollins, who is doing excellent work in the hammer throw, shot put and discus.

The following is a comparison of the Technology and Amherst teams as drawn by the *Amherst Student*:

"In the 100-yard dash Amherst should have all three places. Read and Orrell are running in 10 seconds and Keith, Washburn and Richenaker are showing up well. At the cider meet last fall, it will be remembered, when Orrell was not in the running, Read sprinted the distance in 10 flat, and by one of the watches in 9-4. At recent trials of 50 yards Orrell won two heats and Read one, in the time 5-1, which is equal to the world's record. In the 220-yards it is hard to select the winner, as Orrell, Read and Stearns are all

The action of the Management of the Track Team in suspending five men from the squad is only justly vigorous. The men who by trying for the squad have signified their willingness to undergo the necessary training, must realize that unless conscientiously carried out, such training is useless. The Track Team is not in a position to waste either money or energy in an effort to train men who refuse to do their part, and whose services are therefore of no value. The action of the management will undoubtedly be universally commended as being for the best interests of the Team. If the suspended men will go at once to the Advisory Council and ask to be reinstated they will simply do their duty as true college men.

The officers of the Freshmen Battalion gave the men of C Company, winners of the Prize Drill held last month, a dinner at the Union last Friday evening. Major Carter acted as toastmaster. The speakers were: Major Wheeler, "I am not such a bad fellow after all"; Capt. Almy, "Forgive me"; Lieut. Pope, "Company C had the most men drilling overtime. I did it"; Lieut. Gardner, "I want more drill"; Sergt. Hall, "How I made C Company famous"; Private Barrett, "Me and

the Gallery," and Private Allen, "I want to drill once—by mistake." Capt. Allen, Coffin and Gerrish also spoke.

The Technology Track Team will entertain the Amherst Track Team at the Tech Union immediately following the Dual Meet between the two colleges at Tech Field, Saturday, May 13.

places for the college, and in both mile and two miles we may perhaps expect a place, though the events will go easily to M. I. T. In the low hurdles, Amherst is very strong and should take all three places, with W. P. Hubbard and J. H. Hubbard, pushed by Hopkins and Conley. In the 120-yard hurdles, we should have first place, with J. H. Hubbard running faster than ever before. The broad jump will be another Amherst event

from start to finish. W. P. Hubbard and Read are jumping 22 ft., Morton nearly 21 and Johnson, who has been in poor form, about 20 ft. In the high jump Bishop ought to win some points, and Newton and Crook should do the same in the pole vault. In the weights Amherst will get more than her share of points, with Rollins doing excellent work in all three events and Diehl improving in throwing the discus."

In the pole vault Amherst has her weakest event. Cook who won the event in the spring games did only 10 ft. 6 in. and second place was taken at 9 ft. 6 in.

The events as they were won last Thursday at the spring games are as follows:

100-yard dash, Read,	9 4-5 sec.
220-yard dash, Orrell,	22 sec.
1/4-mile run, Stearns,	50 1-5 sec.
1/2-mile run, White,	2 m. 1-5 sec.
1-mile run, White,	4 m. 40 sec.
2-mile run, Waite,	11 m. 40 sec.
120-yard hurdles, J. H. Hubbard,	16 sec.
220-yard hurdles, J. H. Hubbard,	26 1/2 sec.
Discus, Rollins,	102 ft. 3 in.
Broad jump, W. P. Hubbard,	23 ft. 6 in.
Hammer throw, Rollins,	113 ft. 8 1/2 in.
Shot put, Rollins,	41 ft. 8 in.
Pole vault, Cook,	10 ft. 6 in.

**HARE AND HOUNDS.**

The last Hare and Hound Run of the season was held at Wellesley Saturday afternoon. The run was rather exciting because one of the hares was separated from his mate and was captured on the college grounds. The other hare, O. H. Starkweather, laid a good trail of eight miles through the college grounds and South Natick, returning through the Ridge Hill Farm in Needham. The order of finishing of hounds follows: First, E. S. Campbell, '06; 2d, F. S. McGregor, '07; 3d, P. Frederick, '07; 4th, C. S. Clapp, '08; 5th, H. S. Duncan, '07; 6th, W. R. Thompson, '07. P. J. Clapp, '06, brought in the trail bags by swimming for them. Time, hares, 1 hr. 14 min.; hounds, 1 hr. 41 min.

Ten million dollars as an endowment fund for pensions to college professors is the most recent philanthropy of Andrew Carnegie. A committee of college presidents has been appointed to take charge of the difficult task of distribution.

Lacrosse is a popular game at Harvard. Beside the Varsity team, Class teams have been organized and an inter-class series is to be played. Cricket also has been taken up at Harvard, and a Varsity team formed.

**FIVE TRACK MEN DROPPED.**

**Coach Mahan Takes Action Because of the Indifference in Training.**

On last Saturday morning Coach Mahan dropped five of the track men from the squad because of their indifference in training. The men who have been dropped are: R. Howe, '06; Karl Richards, '07; G. S. Gould, '07; J. Tetlow, '07; J. J. Thomas, '07.

This action on the part of Mr. Mahan is taken because of the fact that there are men to fill their places who have been training faithfully since the spring meet. Though the men who have been dropped are slightly the superior, still those who will take their places in the Amherst Meet or at Worcester can be relied upon to win exactly the same number of points.

### Hollis St. Theatre.

Edna May is back in Boston again for a farewell week in "The School Girl." The tremendous success which this musical comedy from London made on its first engagement in this city is well remembered. The engagement is positively for a single week, as the company will sail for London immediately after this engagement.

### Colonial Theatre.

This is positively the last week of the season at the Colonial Theatre, and the farewell week of the engagement of "Humpty Dumpty" in New England. The success continues unabated and the audiences are still as large as ever.

### Tremont Theatre.

"Woodland" has only this week at the Tremont. Harry Bulger, Frank Doane, Stanley H. Forde, Douglas Ruthven, Ida Brooks Hunt, Emma Carus, Helen Hale, Margaret Sayre, Ida Mülle and Louise Tozier are thoroughly established as local favorites, and may properly consider Boston as their theatrical home.

### APPALACHIAN MOUNTAIN CLUB.

The Appalachian Mountain Club will hold a meeting in Huntington Hall on Wednesday, May 10, at 8 P.M. Mr. Arthur A. Wheeler, topographer of the Topographical Survey of Canada, will give an illustrated lecture entitled "A Bird's-eye View of the Rockies and Selkirks of Canada." The work of Mr. Wheeler is the most notable application of the photographic method in surveys.

Members of the Institute Faculty, Society of Arts, Boston Society of Civil Engineers, and Harvard Travellers Club, are especially invited to attend.

### SOCIETY OF ARTS.

The 611th regular meeting of the Society will be held in 22 Walker, on Thursday evening, May 11, at eight o'clock. Mr. James F. Jackson, Chairman of the Massachusetts Railroad Commission, will address the Society on "The Work of the Massachusetts Railroad Commission"

As this is the annual meeting of the Society, the election of the Executive Committee and Secretary for the ensuing year will be held.
